- E. **JUDGE** - Will be selected by the Hunt Director from the entries he feels are most qualified to conduct the cast. He should have a good knowledge of the sport and the ability to honestly conduct the cast according to PKC rules. If possible, use judges who are not members of the sponsoring club. The Judge will have complete control of the cast and will make all decisions. Any Judge found to have scored any situation to the benefit of any individual or dog shall be subject to disciplinary action.
- F. **NON-HUNTING JUDGE** - A non-hunting judge may be assigned any cast at the discretion of the Hunt Director. The final cast must be assigned a qualified non-hunting judge. - G. **CAST SHOULD STAY TOGETHER** - The cast must stay together and all cast members will go to all trees unless dogs are treed in different places. A handler may leave the cast to go to a split tree when time is up or all dogs have been declared treed. Each tree must be scored by a majority of the cast.
- H. **CAST SHOULD GO IN TO TREE TOGETHER** - The cast should go to the tree together to determine if all dogs called treed are treeing. Every effort should be made to allow Judge to reach tree first. Dogs declared treed must be showing tree. (Note: Dogs or dogs declared treed will be allowed to re-check the tree, meaning the dog will be allowed to drop down off of the tree, re-check and then go back to showing tree). Any type of fowl should not be considered as "tree game". If dog(s) were declared treed on scorecard and only large fowl is seen, delete points.

4. **QUESTIONS**

- A. Any handler has the right to question the scoring of any dog in the cast. Questions must be placed on the card at the time the dog is scored or should be scored. Questions must be submitted to the remaining cast members and resolved by a majority vote. If a handler is dissatisfied with the majority decision, that decision may be appealed to the Hunt Director to be heard after the cast is finished by placing a deposit of \$25. The deposit must be placed with the Judge in the woods at the time of the question. The deposit will not be refunded later in the cast if the handler changes his mind. However, the handler may choose to drop the question and forfeit the deposit at the end of the cast. Handler may sign an IOU on back of scorecard. If IOU is not paid, handler is automatically suspended from entering other events until question fee is paid. No deposit is required when cast has voted but does not have a majority.
- B. **QUESTION PRESENTATION** - A cast should not return to the clubhouse to have a question heard until hunting time is completed, unless the question pertains to a dog or handler being scratched from the cast.

2007-2008 SQUIRREL HUNT RULES

If the panel finds against the question, the deposit will be forfeited with half going to the club and half going to PKC.

D. **PANEL APPEAL** - Any cast member who believes a panel has made a gross misapplication of a rule, may request an appeal of the panel's decision, if and only if, he can quote the specific rule violation to the Hunt Director or PKC Representative immediately following the rendering of the panel's decision. Members will be charged a \$100 deposit for all panel appeal requests, which must be paid at the time of each request. When, and only when, an appeal panel overturns the original panel's decision, will the appeal deposit be returned.

5. **DISCIPLINARY REPORTS**

Any handler may be reported to the Hunt Director by another cast member, Judge, Guide, or club member for misconduct. The Hunt Director will send report to PKC with other hunt results. I. **SCORECARD CERTIFICATION** - Each Handler is responsible for the honesty of the scorecard and will sign the scorecard certifying it upon completion of the cast. Any handler who feels the scorecard is not accurate should make note of the reasons in the appropriate place on the back of the card and sign his comments. *Very Important:* Handler must notify Hunt Director of the circumstances leading him to sign in gray area. Hunt Director may sign certifying card for any handler signing gray area that does not give a reason to the Hunt Director. A member who believes that the scoring of a cast is drastically wrong and cannot be corrected by bringing a question must inform cast at the time of the scoring of his intention to sign in the gray to disqualify the cast. If the cast is completed, any other handler may question the disqualification. 16. **ENTRY REFUSAL**

PKC or a sponsoring club has the right to refuse entry to any dog or handler. However, no handler will be barred on the basis of religion, race, color, national origin, sex, or physical impairment. Any handler denied entry must

be given a hearing if it is requested in writing before entry is refused.

17. CAST WINNERS

- A. The final score is determined by subtracting all minus points from all plus points. All circle points count as zero as a final score.
- B. **NO TREE POINTS** - A dog who has no tree points (circle or plus) cannot place over a dog who has treed and has received circle or plus points on tree, regardless of final score.

18. ORDER OF PLACEMENT

After determining the final score, the order of placement is (This pertains to placing in a cast or cast winners placing in the final three.)

1. **Most plus points:** If more than one dog has the same amount of plus points as a final score, see tie breaking rules.

3. **Least minus points:**
(Example: Dog A has 200 circle points and will have a final score of zero. Dog B has 400 circle points and 25 minus and will have a final score of 25 minus. Dog C has 200 plus, 300 circle and 275 minus for a total score of 75 minus. Dogs will place: first – dog A with 0, second – dog B with 25 minus and third – dog C with 75 minus)

The final three dogs will be placed on a scorecard. Any dog not on the grounds to answer roll call will be scratched from the final cast and will receive last place. The scorecard is considered back if it is on the club grounds at the deadline. The top three (3) cast winners will recast to determine first through third places. If all winning handlers agree, they may be allowed to divide all awards equally instead of competing in the final cast. (Note: In \$10 Open Events, awards will be split unless all handlers agree to hunt. In Open Events with nine (9) or less entries, PKC awards and added purse monies (if any) will be split equally by all final cast members, unless all handlers agree to hunt. In an Open Event with ten (10) or more entries, one (1) handler may request to hunt the final cast. If agreeable with a majority of the cast members, a final cast may also be allowed to compete for only one (1) hour instead of 90 (ninety) minutes; howev-

er, should cast members decide to hunt, agreed upon hunting time must be completed in its' entirety, unless all cast members receive an equal share of the awards, *unless a cast winner is determined prior to the end of the hunt by scratches or withdraws.* Any handler competing in a guest status may be denied a vote concerning recasting. The Hunt Director will have the authority to set a time deadline for the final cast to be finished. The winner will be the dog winning the cast at the deadline. In case of a tie that cannot be broken, the money will be split for tied positions. Under no circumstances may the second or third place dog in a first round cast receive any credit for winning.

20. DRAWING OF CASTS

It is very important that all Judges, Guides, and Handlers draw for their cast. (See cast drawing instructions in Hunt Director Instructions.) Any person who owns more than one dog entered in an event may request a separate draw provided PKC registration papers and in order and are presented to the Hunt Director to prove ownership. Any member 50 years of age or older may be permitted to draw a separate cast at Open Events large enough to accommodate a "Senior Citizens Cast". (Must be three or more participants.) Hunt Director may use his discretion when implementing this policy.

21. GOOD JUDGEMENT RULE

These rules are written and intended to identify and reward the dog that hunts and trees a squirrel and stays until his handler comes. At times it will be necessary to use good judgment rather than a literal interpretation of these rules toward this end. It is within the scope of these rules for the Judge and/or Master of Hounds to rule on a situation not specifically covered in detail by the rules.

Use of alcoholic beverages or un-prescribed drugs shall not be permitted on the grounds of or while participating in a PKC sanctioned event. Anyone under the influence of alcohol or un-prescribed drugs will be refused entry.
